1. Scope

These terms apply to any bonus, credit or trading funds offered by Orax Capital Markets Ltd. A specific offer may have extra conditions, which prevail if they differ.

2. Eligibility

Bonuses are optional and only for verified clients unless the offer says otherwise. One bonus per person, household, IP address, device and payment method. You can decline a bonus before it is credited or ask us to remove it.

3. How a bonus works

A bonus is credited to your account and can be used for trading, but it is not your money and cannot be withdrawn until the trading volume requirement stated in the offer is met. Unless the offer says otherwise, the requirement is a set number of standard lots for CFDs, or a total traded amount for options, as published with the offer.

4. Withdrawals before completion

If you withdraw any funds before meeting the volume requirement, the bonus and any profits made with it are removed. Your own deposited funds are never reduced by this rule.

5. Abuse

We may cancel bonuses and related profits where we find hedging between accounts, multiple accounts, arbitrage, or other abuse. Decisions are made by our compliance team.

6. Changes

We may change or end a promotion at any time. This does not affect bonuses already credited, except in cases of abuse.
